Too Human is an action role-playing game from a third-person perspective. The player takes control of the lead character Baldur in a third-person perspective with the camera distance being adjustable, even controllable during some in-game cinematics to involve the player in the story further. Camera control is limited to player, with the choice to re-adjust the camera back to its default third ...

The 2000s was a decade of the Gregorian calendar that began on January 1, 2000, and ended on December 31, 2009. The growth of the Internet contributed to globalization during the decade, which allowed faster communication among people around the world. The economic growth of the 2000s had considerable social, environmental, and mass extinction consequences.
