Irony (from Ancient Greek ἰρωνία, meaning 'dissimulation, feigned ignorance'), in its broadest sense, is a rhetorical device, literary technique, or event in which what appears, on the surface, to be the case, differs radically from what is actually the case.. Irony can be categorized into different types, including: verbal irony, dramatic irony, and situational irony.

History. The oldest acting school in the English-speaking world, the Academy in New York City was founded in 1884 to train actors for the stage. Its first home was the original Lyceum Theatre on what is now Park Avenue South. In 1963, the school moved to its current home, a landmark building designed by noted architect Stanford White as the original Colony Club.

The Project Approach evolved from a desire to help students participate in and contribute to a democratic

society. Studies indicate that democratic societies are more likely to flourish when citizens seek an in-depth understanding of the complex issues they must address and about which they must make choices and decisions.
