### **a treatise of human pdf**

A Treatise of Human Nature (1738â€“40) is a book by Scottish philosopher David Hume, considered by many to be Hume's most important work and one of the most influential works in the history of philosophy. The Treatise is a classic statement of philosophical empiricism, skepticism, and naturalism. In the introduction Hume presents the idea of placing all science and philosophy on a novel ...

The truth is the human condition is the agonising, underlying, core, real question in all of human life, of are humans good or are we possibly the terrible mistake that all the evidence seems to unequivocally indicate we might be? While it's undeniable that humans are capable of great love, we also have an unspeakable history of brutality, rape, torture, murder and war.
