Diarrhea, also spelled diarrhoea, is the condition of having at least three loose or liquid bowel movements each day. It often lasts for a few days and can result in dehydration due to fluid loss. Signs of dehydration often begin with loss of the normal stretchiness of the skin and irritable behaviour. This can progress to decreased urination, loss of skin color, a fast heart rate, and a ...

The Royal Today is a British medical soap opera, a spin-off of the similarly themed drama, The Royal. The concept is that whilst The Royal is set in the late 1960s, The Royal Today featured the same hospital in the present day, with a new set of characters working in the same location. Each episode followed the events of a single day, and the show was broadcast daily (except for the weekends ...

TABLE OF CONTENTS . PREFACE. THE gracious reception given to my several reports of field studies among primitive racial groups and the many requests for copies of those brief reports and for further data, together with the need for providing interpretations and applications of the data, have induced me to consolidate my investigations. There have also been many requests from my patients and ...

CHAPTER I THE POISONED NEEDLE "Truth wears no mask, seeks neither place nor applause, bows to no human shrine; she only asks a hearing." The increasing flood of evidence against vaccination and the growing for the un-suppressed facts about this "touchy" subject have literally forced this book into being.
