Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for Kâ€™12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...

A Review of Research done on Tomatis Auditory Stimulation

In the curriculum of the Waldorf schools, much of the education in academic subjects takes place in blocks, generally of 3–5 weeks duration. Each pupil generally writes and illustrates a self-created textbook representing the material learned in the block. These blocks are supported by on-going classes in subjects such as music, art and crafts, and foreign languages that continue throughout ...
