

art forgery the case pdf

Art forgery is the creating and selling of works of art which are falsely credited to other, usually more famous artists. Art forgery can be extremely lucrative, but modern dating and analysis techniques have made the identification of forged artwork much simpler.

Art forgery - Wikipedia

Forgery is the process of making, adapting, or imitating objects, statistics, or documents with the intent to deceive for the sake of altering the public perception, or to earn profit by selling the forged item. Copies, studio replicas, and reproductions are not considered forgeries, though they may later become forgeries through knowing and willful misrepresentations.
