\*Baby older than 3 months? Check out the 3-6 month sleep guide.\* As much as the idea of snuggling up with a newborn all day long for days (err, months) on end sounds kind of nice at first, when you get in the thick of it (i.e. you haven't brushed your teeth since yesterday, your stomach has been making sounds that would scare a bear away and the last time you showered was, well, you can't even ...

What's making my child's skin so dry? Babies and children can get dry skin just like adults do. In fact, because young skin is more delicate, it's more susceptible to becoming dry. Cold, dry outdoor air and indoor heating can rob skin of its natural moisture in the winter. And if your child is prone ...

Why won't my baby sleep through the night? There are all sorts of reasons why your baby may be waking through the night. She may need a feed, she may want your comfort and reassurance during the night, or she may benefit from a more consistent bedtime routine to help her settle. Teething can also upset your baby's routine and sleep patterns. If your baby is waking in the night, your own ...
