This is a list of movies featuring recognizable dance forms, demonstrating them, shedding light on their origin, or being the base of a plot.. This article is not about Dance film or Dance for camera which are separate genres. It is also not about Musical films, although they often contain a significant amount of dancing. However, they are a specific form of art in itself, therefore their ...

Stepping or step-dancing is a form of percussive dance in which the participant's entire body is used as an instrument to produce complex rhythms and sounds through a mixture of footsteps, spoken word, and hand claps. Though stepping may be performed by an individual, it is generally performed by groups of three or more, often in arrangements that resemble military formations.
