The consonance and dissonance of different intervals plays an important role in establishing the tonality of a piece or section in common practice music and popular music. For example, for a simple folk music song in the key of C Major, almost all of the triadic chords in the song will be Major or minor chords which are stable and consonant (e.g., in the key of C Major, commonly-used chords ...

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.

Postmodernism is a broad movement that developed in the mid- to late-20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. (In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...
