The consonance and dissonance of different intervals plays an important role in establishing the tonality of a piece or section in common practice music and popular music. For example, for a simple folk music song in the key of C Major, almost all of the triadic chords in the song will be Major or minor chords which are stable and consonant (e.g., in the key of C Major, commonly-used chords ...

Dramatic literature: Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the

History. Postmodernism arose after World War II as a reaction to the perceived failings of modernism, whose radical artistic projects had come to be associated with totalitarianism or had been assimilated into

mainstream culture. The basic features of what is now called postmodernism can be found as early as the 1940s, most notably in the work of artists such as Jorge Luis Borges.
