New York State's Child Passenger Safety Program

A drill instructor is a non-commissioned officer in the armed forces or police forces with specific duties that vary by country. For example, in the United States armed forces, they are assigned the duty of training new recruits entering the military.. Drill instructors within the U.S. armed forces have different titles in each branch of service. In the United States Air Force, they are known ...

Drill instructor - Wikipedia

Education began in prehistory, as adults trained the young in the knowledge and skills deemed necessary in their society. In pre-literate societies, this was achieved orally and through imitation. Story-telling passed knowledge, values, and skills from one generation to the next.
