Phonics Teaching Resources | Teachers Pay Teachers

Phonics is a method for teaching reading and writing of the English language by developing learners' phonemic awareness—the ability to hear, identify, and manipulate phonemes—in order to teach the correspondence between these sounds and the spelling patterns that represent them.. The goal of phonics is to enable beginning readers to decode new written words by sounding them out, or, in ...

Whole language describes a literacy philosophy which emphasizes that children should focus on meaning and strategy instruction. It is often contrasted with phonics-based methods of teaching reading and writing which emphasize instruction for decoding and spelling. However, from whole language practitioners' perspective, this view is erroneous and sets up a false dichotomy.
