between good and evil pdf

The conflict between good and evil is one of the most common conventional themes in literature, and is sometimes considered to be a universal part of the human condition.. There are several variations on this conflict, one being the battle between individuals or ideologies, with one side held up as Good, while the other is portrayed as Evil. Another variation is the inner struggle in characters ...

Evil, in a general sense, is the opposite or absence of good. It can be an extremely broad concept, though in everyday usage is often used more narrowly to denote profound wickedness. It is generally seen as taking multiple possible forms, such as the form of personal moral evil commonly associated with the word, or impersonal natural evil (as in the case of natural disasters or illnesses), and ...
