Clergy are some of the main and important formal leaders within certain religions. The roles and functions of clergy vary in different religious traditions but these usually involve presiding over specific rituals and teaching their religion's doctrines and practices. Some of the terms used for individual clergy are clergyman, clergywoman and churchman.

Baptists are Christians distinguished by baptizing professing believers only (believer's baptism, as opposed to infant baptism), and doing so by complete immersion (as opposed to affusion or sprinkling). Baptist churches also generally subscribe to the tenets of soul competency/liberty, salvation through faith alone, scripture alone as the rule of faith and practice, and the autonomy of the ...

Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).
