Tab Clear was a variation of Tab. It is Coca-Cola's contribution to the short-lived "clear cola" movement during the early 1990s. It was introduced in the United States on December 14, 1992, in the United Kingdom a month later and in Japan in March 1993 to initially positive results. Tab Clear was, however, discontinued after only a short time of marketing in 1994.

Critical thinking is the objective analysis of facts to form a judgment. The subject is complex, and several different definitions exist, which generally include the rational, skeptical, unbiased analysis, or evaluation of factual evidence. Critical thinking is self-directed, self-disciplined, self-monitored, and self-corrective thinking. It presupposed assent to rigorous standards of ...

The broaden-and build-theory could be defined as a model for explaining the mechanisms behind positive emotions in our minds and bodies, what their effects are, what the evolutionary reason is behind them and why studying them is so important for our well-being.. Studying emotions has always been a challenge. There are different points of view as to what is considered an emotion.
