

colloidal ionic silver testimonials pdf

What is Colloidal Silver? Modern day Colloidal Silver is an electrolyte* of pure water, silver ions and microscopic particles. Strictly speaking only the particles are actually colloids** but 'colloidal silver' has become the common name for the ionic/particle mixture available at most health food stores in Australia.

What is Colloidal Silver?

How does ionic and colloidal Silver Work . Here is a link that will help you see how and why Silver kills all single cell organisms it comes in contact with.

Many of you have probably heard of the "alkaline diet"™. There are a few different versions of the acid-alkaline theory circulating the internet, but the basic claim is that the foods we eat leave behind an "ash"™ after they are metabolized, and this ash can be acid or alkaline (alkaline meaning more basic on the pH scale). According to the theory, it is in our best interest to make sure ...

The Acid-Alkaline Myth: Part 1 | Chris Kresser

About the Author: Deirdre Layne Founder and CEO of Earth Clinic, has an extensive background in health and healing. She created EarthClinic.com in 1999 as a way to teach people about natural remedies and alternative healing therapies.

Ted from Bangkok's Famous Alkalizing Formulas! - Earth Clinic

And he causes all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand or on their forehead, and he provides that no one will be able to buy or to sell, except the one who has the mark, either the name of the beast or the number of his name.â€
