

### **corporate social responsibility and pdf**

Corporate social responsibility (CSR, also called corporate sustainability, sustainable business, corporate conscience, corporate citizenship or responsible business) is a type of international private business self-regulation. While once it was possible to describe CSR as an internal organisational policy or a corporate ethic strategy, that time has passed as various international laws have ...

Abstract. Companies have believed for years that their only responsibility was a financial oneâ€”maximizing value for shareholders. Corporate Social Responsibility (CSR) is a new ideaâ€”where the corporate sector incorporates social and environmental concerns in its strategies and plays a more responsible role in the world.
