International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...

Yoko Ono's CUT PIECE : From Text to Performance and Back Again. by Kevin Concannon. Art is inexorably bound up in the situation where it is produced and where it is experienced. You can emphasize this, or you can emphasize where it is produced or experienced: you can even equate them, and emphasize the equation.
