Among the reasons for the increase in tourism in the 1960s were the stable political atmosphere and the development of Bangkok as a crossroads of international air transport. The hotel industry and retail industry both expanded rapidly due to tourist demand.

Tourism in Thailand - Wikipedia

Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. Tourism may be international, or within the traveller's country. The World Tourism Organization defines tourism more generally, in terms which go "beyond the common perception of tourism as being limited ...
