14/2/100 Montreaux Pty Ltd T/A MATElec Australia model FKW-15110 Class 1 Electricity Meter

14/2/- Electricity (Utility) Meters

A smart meter is an electronic device that records consumption of electric energy and communicates the information to the electricity supplier for monitoring and billing. Smart meters typically record energy hourly or more frequently, and report at least daily. Smart meters enable two-way communication between the meter and the central system.

Call To Opt Out When calling the phone numbers above, be prepared to be intimidated with threats of "we are all out of analog meters, but we can give you a digital meter with the radio turned off" and "the prices will go up for you" and other false scare tactics. They MUST provide you with a non-transmitting, non-digital, analog electromechanical meter.
