It will only take 9 minutes to read this post! If you don't have time to read this post now, just download 20 Essential Chinese Phrases for Newbies and Travellers PDF and read it later!. A few years back I took a few weeks out of the Written Chinese Office to spend some time travelling with my parents and fiancé, now husband, in China.

### **20 Essential Chinese Phrases for Newbies and Travellers**

The grammar of Standard Chinese shares many features with other varieties of Chinese. The language almost entirely lacks inflection, so that words typically have only one grammatical form. Categories such as number (singular or plural) and verb tense are frequently not expressed by any grammatical means, although there are several particles that serve to express verbal aspect, and to some extent ...

Until the mid-20th century, most Chinese people spoke only their local language. As a practical measure, officials of the Ming and Qing dynasties carried out the administration of the empire using a common language based on Mandarin varieties, known as Guānhuà (官话, literally "speech of officials"). Knowledge of this language was thus essential for an official career, but it was never ...
