To study the patterns of control, we measure the four levers and use cluster analysis in our search of configurations. To help interpret the findings of the cluster analysis we study differences in the contingency variables described earlier. 4 In addition, we examine the performance of the clusters on a series of strategic performance dimensions that are especially relevant in the LOC ...

12 Rules for Life is a collection of life principles that, if followed, are meant to improve your life. It reached the #1 spot on Amazon's bestsellers list, and clearly it resonates with a lot of people. Its author (Jordan Peterson, a clinical psychologist and U Toronto professor) argues that modern secularism and reliance on science has left a void in answers to important existential ...
