

families and communes an pdf

Terminology. A commune is a town, city, or other municipality. "Commune" in English has a historical bias, and implies an association with socialist political movements or philosophies, collectivist lifestyles, or particular history (after the rising of the Paris Commune, 1871, which could have more felicitously been called, in English, "the rising of the City of Paris").

Communes of France - Wikipedia

In the Latter Day Saint movement, the United Order (also called the United Order of Enoch) was one of several 19th-century church collectivist programs. Early versions of the Order beginning in 1831 attempted to fully implement the law of consecration, a form of Christian communalism, modeled after the New Testament church which had "all things in common".
