In France, the term haute couture is protected by law and is defined by the Chambre de commerce et d'industrie de Paris based in Paris. The chambre syndicale de la haute couture is defined as "the regulating commission that determines which fashion houses are eligible to be true haute couture houses". Their rules state that only "those companies mentioned on the list drawn up each year by a ...

CV Dazzle explores how fashion can be used as camouflage from face-detection technology, the first step in automated face recognition. The name is derived from a type of World War I naval camouflage called Dazzle, which used cubist-inspired designs to break apart the visual continuity of a battleship and conceal its orientation and size.
