The two wildcard characters are the star and the (escaped) question mark, and both can come in the middle or end of a word. The escaped question mark ? stands for one character and the star * stands for any number of characters. Because many users, instead of writing a query, will ask a question, any question mark is ignored unless purposefully escaped ? into its wildcard meaning.

Introduction. Famous William Golding's novel Lord of the Flies was written in 1954. Being a kind of parody for books of R.M. Ballantine's The Coral Island (1858) sort, this tale of survival on a tropical island is a description of principal forces driving the development of society and a warning against the evil nesting in each human being. Golding's intricate allegories and simplistic ...
