Antisemitism in Europe in the Middle Ages was largely influenced by the Christian belief that the Jewish people were collectively responsible for the death of Jesus, through the so-called blood curse of Pontius Pilate in the Gospels.. Persecutions against Jews were widespread during the Crusades, beginning in 1095, when a number of communities, especially on the Rhine and the Danube, were ...

Good governance is an indeterminate term used in the international development literature to describe how public institutions conduct public affairs and manage public resources. Governance is "the process of decision-making and the process by which decisions are implemented (or not implemented)". The term governance can apply to corporate, international, national, local governance or to the ...

Saying that it has always been this way, doesn't count as a legitimate justification to why it should stay that way. Teacher and administrators all over the world are doing amazing things, but some of the things we are still doing, despite all the new solutions, research and ideas out there is, to put it mildly, incredible.

14 things that are obsolete in 21st century schools
