

global governance in accounting pdf

6 The creation of a company board is an important element of corporate governance, certainly for larger, listed companies, but SMEs could also benefit.

Governance for all: the implementation challenge for SMEs

Environmental governance is a concept in political ecology and environmental policy that advocates sustainability (sustainable development) as the supreme consideration for managing all human activities—political, social and economic. Governance includes government, business and civil society, and emphasizes whole system management. To capture this diverse range of elements, environmental ...
