

governor and good governance pdf

Good governance is an indeterminate term used in the international development literature to describe how public institutions conduct public affairs and manage public resources. Governance is "the process of decision-making and the process by which decisions are implemented (or not implemented)". The term governance can apply to corporate, international, national, local governance or to the ...

The position of lieutenant governor has existed in Canada since before the country's confederation. In 1786, the post of Governor-in-Chief of British North America was created as a central viceregal office overseeing the British colonies of Prince Edward Island, Nova Scotia, New Brunswick, and the Province of Quebec, whose governors then became lieutenant governors, though that of Quebec was ...
