

how to answer situational pdf

Situational interview questions can be difficult to answer because they can be about almost anything and you might never have encountered some of the challenges. Here are some sample situational interview questions and

How to Answer Difficult Situational Interview Questions

The situational interview is based on the critical-incident technique. The incidents are turned into interview questions in which job applicants are asked to indicate how they would behave in a given situation. Each answer is rated independently by 2 or more interviewers on a 5-point Likert-type scale.
