Introduction to California Spring Wildflowers of the Foothills, Valleys, and Coast free book

Introduction to California Spring Wildflowers of the

About the Book. In the spring, California's rolling hills, green valleys, and coastal slopes are colored with wildflowers treasured by both residents and visitors to the state.

Introduction to California Spring Wildflowers of the

Introduction to California CALIFORNIA has many fascinating cities and towns, and a rich cultural history, but it is the variety and splendour of the natural scenery that impresses most. The state is full of contrasts and extremes - rocky peaks bearing snow all year are visible from arid deserts where the temperature may exceed 120°F, and the ...
