This is a list of various Logitech products. Individual products may have their own article.

**List of Logitech products - Wikipedia**

Logitech designs products that have an everyday place in people's livesâ€”creating new experiences across music, gaming, video, smart home, and computing. United States

**Logitech | Mice, keyboards, remotes, speakers, and more**

The keyboard doesn't come with a normal Logitech Unifying Receiver (on the left), it comes with a slightly different receiver (on the right). However, you can pair the K270 with the normal unifying receivers by downloading the unifying software from Logitech and manually pairing it that way.
