Background and production. During the tour supporting their previous album, Signals, the members of Rush began by meeting with producer Terry Brown in Miami, informing him that they wanted to move on. Unhappy with the sound of the Signals album, they were also keen to see how they would work with someone other than Brown. Despite their decision to part ways Rush included a small tribute to him ...

User experience signals were HUGE this year. And I expect them to be even more important in 2019. In fact, Google previously announced that RankBrain was their third most important ranking factor: “In the few months it has been deployed, RankBrain has become the third-most important signal contributing to the result of a search query.”
