Morality (from Latin: moralis, lit. 'manner, character, proper behavior') is the differentiation of intentions, decisions and actions between those that are distinguished as proper and those that are improper. Morality can be a body of standards or principles derived from a code of conduct from a particular philosophy, religion or culture, or it can derive from a standard that a person ...

"Famine, Affluence, and Morality" is an essay written by Peter Singer in 1971 and published in Philosophy and Public Affairs in 1972. It argues that affluent persons are morally obligated to donate far more resources to humanitarian causes than is considered normal in Western cultures. The essay was inspired by the starvation of Bangladesh Liberation War refugees, and uses their situation as an ...

Many adults in Central and Eastern Europe hold traditional viewpoints on social issues. Majorities oppose same-sex marriage and say homosexuality should not be accepted by society. And while abortion is legal in nearly every country included in the survey (Poland is an exception), public opinion about whether abortion should be legal is mixed, with women and men about equally supportive of ...
