Executive Summary. Many leaders often try to empower their employees by delegating authority and decision-making, sharing information, and asking for their input.

When Empowering Employees Works, and When It Doesn't

Alison tells the stories of purpose-driven leaders and is fascinated by various intersections of technology and society. When not keeping a finger on the pulse of all things Singularity University, you'll likely find Alison in the woods sipping coffee and reading philosophy (new book recommendations are welcome).
