College of Agricultural, Consumer and Environmental

Etymology. The name of the city has its origin through Latin, deriving from albus quercus meaning "white oak". The name was probably given in reference to the prevalence of cork oaks in the province of Badajoz, which have white wood when the bark is removed.. The first "r" in Albuquerque was later dropped, probably due to association with the prominent Portuguese general Alfonso de ...

Complaints & Discipline. The mission of the New Mexico Board of Nursing is to protect the public safety through effective regulation of nursing care and services. One way the Board accomplishes this is by receiving complaints and disciplining licensees and certificate holders who violate the law and rules.
