the social contract and the laws that constitute it. Thus, the authority or the government or the sovereign or the state came into being because of the two agreements. Analysis of the theory of Social Contract by Thomas Hobbes 1. Thomas Hobbes theory of Social Contract appeared for the first time in Leviathan

What is Social Contract Theory? - Sophia Project

(1978: 3). This was a theory of the social contract, a theory of rational individuals creating a rational government, a government not based on class. Hobbes's social contract theory became very important, but its importance was soon eclipsed by the later social contract theory of John Locke.

THE SOCIAL CONTRACT - SAGE Publications

In either form though, social contract theory says that "morality consists in the set of rules, governing how people are to treat one another, that rational people will agree to accept, for their mutual benefit, on the condition that others follow those rules as well." Another argument for the social contract is known as the prisoner's dilemma.
