ISBN 9781604312034 - Physics, a First Course 2nd Edition

Nick Nicastrô€ Physics Teacher, Wachusett Regional High School, MA Thirty-two years experience teaching physics. He developed high energy particle physics curriculum at European Center of Nuclear Research (CERN). He is a member of the executive board for the New England Section of the American Association of Physics Teachers.

About the Author - Westwood Regional School District

Physics A First Course is created around the premise that science is a process of exploration and discovery of ideas and that this new knowledge connects and enhances lives. Each of our eight chapters starts and ends with an investigation, bringing discovery to the students before and after reading the Student Edition.
