The Culture of the United States Marine Corps is widely varied, but unique amongst the branches of the United States armed forces. Because its members are drawn from across the United States (and resident aliens from other nations), it is as varied as each individual Marine, but tied together with core values and traditions passed from generation to generation of Marines.

Kimberly, I was brought to your site from a FamilyLife session/podcast I recently listened to. From there, I came across this posting that references your husband's™ perspective, of which I would be interested in. Much of what you discussed and post on your site reflect much of how I see things unfolding in my marriage and home.
