Search and rescue (SAR) is the search for and provision of aid to people who are in distress or imminent danger.The general field of search and rescue includes many specialty sub-fields, typically determined by the type of terrain the search is conducted over.

Search and rescue - Wikipedia

The United States Merchant Marine refers to either United States civilian mariners, or to U.S. civilian and federally owned merchant vessels.Both the civilian mariners and the merchant vessels are managed by a combination of the government and private sectors, and engage in commerce or transportation of goods and services in and out of the navigable waters of the United States.
