### **Speed-Reading for Professionals**

your reading speed was somewhere between 150 and 250 words per minute (WPM), then you are reading at average speed. Most people read 150-250 WPM. If your reading speed was below the average, don't feel discouraged! The improvements that you're about to make in reading speed and comprehension are significant

### **Speed Reading Starter Guide eBook**

Speed Reading Speed reading involves selecting the appropriate pace to support your learning and being able to efficiently skim your readings for important information. The goal is to decrease the time it takes you to read while increasing your retention. However, increasing speed is not an effective strategy for all students.
