Policy analysis is a technique used in public administration to enable civil servants, activists, and others to examine and evaluate the available options to implement the goals of laws and elected officials. The process is also used in the administration of large organizations with complex policies. It has been defined as the process of "determining which of various policies will achieve a ...

The Student and Exchange Visitor Program (SEVP) periodically requests comments from the public on draft and interim final guidance. Guidance is SEVP's interpretation of federal laws and regulations that guide SEVP adjudicators in their decision-making. Guidance is not the same as governing regulations. Governing regulations are developed and instituted by each cabinet-level agency in the ...
