In short, business presentations have become the business communications medium of the 21st century's corporate haiku to express ideas, simple or complex, quickly and (we hope) effectively. The emergence of software like Microsoft's PowerPoint has made pretty painless the process of producing a business presentation with a slick, polished look.

ultimate predictors of a company's future success. These were the assertions in the book The Ultimate Question by Fred Reichheld, a Bain & Company consultant. The same assertions were repeated and

expanded upon in a following book, *The Ultimate Question 2.0* by Fred Reichheld and Rob Markey (also a Bain & Company consultant).
