WHAT IS A CRITICAL THINKING ESSAY? Many college assignments require you to support a thesis. The concept of a critical thinking essay is that you start without an end in mind. You don't necessarily know how you feel about a subject or what you want to say about the subject â€ you allow the research and your own thinking to determine the outcome.

In the USA up to 4 in ten adults use 'some form' of alternative therapy 1. In Britain there are about 150 000 alternative therapists, and the public spend about Â£4.5 billion on them (as of year 2009) 2. In nearly all practices, they work due to the psychology surrounding 'treatment' (the placebo effect and statistical regression) rather than the actual result of the treatment.

In a political environment defined by widespread polarization and partisan animosity, even simple conversations can go awry when the subject turns to politics. In their in-person interactions, Americans can (and often do) attempt to steer clear of those with whom they strongly disagree.. But online social media environments present new challenges.
