A financial audit is conducted to provide an opinion whether "financial statements" (the information being verified) are stated in accordance with specified criteria. Normally, the criteria are international accounting standards, although auditors may conduct audits of financial statements prepared using the cash basis or some other basis of accounting appropriate for the organisation.

Bermuda's banks Only four operate now in the local market but fintech banking is coming. By Keith Archibald Forbes (see About Us) exclusively for Bermuda Online. While Bermuda is certainly an offshore international business and insurance center, it is not an international banking center. International banks, which in other offshore locations and also in many onshore jurisdictions, are allowed ...
