Information Centers description goes here. Standards of Learning Documents for English . The Standards of Learning and Curriculum Framework comprise the English language arts content that teachers in Virginia are expected to teach and students are expected to learn.; Test blueprints provide information on how SOL and VMAST assessments are constructed.

VDOE :: English Standards of Learning Resources

Psychological testing is the administration of psychological tests, which are designed to be "an objective and standardized measure of a sample of behavior". The term sample of behavior refers to an individual's performance on tasks that have usually been prescribed beforehand. The samples of behavior that make up a paper-and-pencil test, the most common type of test, are a series of items.

Animal testing, also known as animal experimentation, animal research and in vivo testing, is the use of non-human animals in experiments that seek to control the variables that affect the behavior or biological system under study. This approach can be contrasted with field studies in which animals are observed in their natural environments or habitats.
