

the american state constitutional pdf

The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress; the executive, consisting of the ...

Prior to the Supreme Court's decision in Obergefell v. Hodges (2015), U.S. states passed several different types of state constitutional amendments banning legal recognition of same-sex unions in U.S. state constitutions, referred to by proponents as defense of marriage amendments. The amendments define marriage as a union between one man and one woman and prevent civil unions or same-sex ...
