the green room pdf
In show business, the green room is the space in a theatre or similar venue that functions as a waiting room and lounge for performers before and after a performance, and during the show when they are not engaged on stage.Green rooms typically have seating for the performers, such as upholstered chairs and sofas. The origin of the term is often ascribed to such rooms historically being painted ...

Environmentally sustainable living is achievable in apartment blocks and other forms of strata and community-titled living. We have many examples of how it is being achieved - while often saving money - with thoughtful actions both within individual apartments and on the complexâ€™s common property.
