

the jungle 1st edition pdf

The Jungle is a 1904 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the harsh conditions and exploited lives of immigrants in the United States in Chicago and similar industrialized cities. His primary purpose in describing the meat industry and its working conditions was to advance socialism in the United States.

According to the definition of edition above, a book printed today, by the same publisher, and from the same type as when it was first published, is still the first edition of that book to a bibliographer. However, book collectors generally use the term first edition to mean specifically the first print run of the first edition (aka "first edition, first impression").
