The Namesake (2003) is the first novel by Jhumpa Lahiri. It was originally a novel published in The New Yorker and was later expanded to a full-length novel. It explores many of the same emotional and cultural themes as her Pulitzer Prize-winning short story collection Interpreter of Maladies. Moving between events in Calcutta, Boston, and New York City, the novel examines the nuances involved ...

Dracula is an 1897 Gothic horror novel by Irish author Bram Stoker. It introduced Count Dracula, and established many conventions of subsequent vampire fantasy. The novel tells the story of Dracula's attempt to move from Transylvania to England so that he may find new blood and spread the undead curse, and of the battle between Dracula and a small group of men and a woman led by Professor ...
