LGBT parenting refers to lesbian, gay, bisexual, and transgender people raising one or more children as parents or foster care parents. This includes: children raised by same-sex couples (same-sex parenting), children raised by single LGBT parents, and children raised by an opposite-sex couple where at least one partner is LGBT.. LGBT people can become parents through various means including ...

Parents often find themselves looking for advice on how to raise their kids. It's not surprising in a society in which we spend so little time around children that we go into this parenting business with little to no experience.

### **Five Worst Parenting Books | Evolutionary Parenting**

Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...
